## A Chieftain's Welcome...

Dear Arrowmen,

It is my pleasure to welcome you to the 2014 Dixie Fellowship at Camp Coker. I first want to thank Santee Lodge for putting in countless hours in getting Camp Coker ready for Dixie. The Dixie Fellowship has been a tradition in the Order for over 55 years, and your being here this weekend builds upon the legacy of brotherhood our section has upheld. This event is going to be amazing in countless ways. Arrowmen will be competing in training; quest events, ceremonies, dance, sing, and various lodge administration items. Old officers will retire and new officers will be elected.

Take advantage of every opportunity this weekend, discover new interests, and learn more about what it means to be in the Brotherhood of Cheerful Service.

*"But the basic thing behind all the programs is that we hold ourselves in love. The sense of happiness and joy in being an Arrowman and living as an Arrowman, and we ourselves as an individual measure up as best as we can to the standards of our Order."*

-Dr. E. Urner Goodman

Enjoy your time here at Camp Coker, at the 2014 Dixie Fellowship.

Matt Forster

# Section Officer Election Information

If you would like to be involved in the 100th Anniversary of The Order of the Arrow more than ever before, you should consider running for Section Office!

In order to run, you must be in good standing with your Lodge and be recommended in writing by your Council Executive.

You should also be nominated by another Youth member of the Order beginning Saturday morning. Nominations for each office close at the Saturday night show after the Team Dance competition.

There are three Section Officer positions: Secretary, Vice Chief, and Chief.

The Secretary is responsible for most of the communication among the Council of Chiefs throughout the year. He is also responsible for putting out The Five Feathers during and after Dixie.

The Vice Chief is responsible for running any Council of Chiefs meeting that the Chief is not able to attend, and to support the overall mission of the Council of Chiefs.

The Chief is responsible for leading our Council of Chiefs. He presides at all meetings and makes sure each member of the COC is well informed. He also selects the team of Coordinators and Advisers that present the rules and help run each Dixie Fellowship.

If you have any questions about running for office or want more information, contact one of the current Section Officers! They would love to give you more information.

If you are running for office, please submit a 500 word or less bio to be put in The Five Feathers (See Below). The articles may be edited to fit in the publication.
