

THE CORNERSTONE COLUMN

Sunday, April 27th

What an amazing weekend we have had! Section E7 is, without a doubt, a Section of brothers with extraordinary brotherhood and passion for service. We have seen some amazing competitions, beautiful patches, selfless service, and so many more aspects of the Order that make our lodges great! As we leave this camp and return to our home lodges, let us take these values and share them so that we might realize our dreams and build for tomorrow!
